

We are obligated to restore nature...

About Nature Inspirit Travel

Nature in Spirit Travel is a company based in Tanzania. We organize tour itineraries in 3 different countries of Africa: Tanzania, Kenya and Rwanda. We operate in the basis of three principles which are; Being a part in preserving nature, Sharing the beauty of Africa's nature with the rest of the world and breaching the gap between travellers & tour operators, making the travel planning for the holiday maker far less stressful.

Our Naturalist Guides & Vehicles

Our naturalist guides are unique, historians, multilinguals, well-trained, experienced, multitask specialists who cater to our customers' needs in the wilderness, where they could be the only source of assistance at the time, and provide unforgettable experiences to our travelers. Our vehicles are well maintained with heavy duty suspensions to confront magical rough roads. We also stock our vehicles with snacks, refreshments like water, soft drinks and beers for our customers to enjoy while watching game on exclusive areas away from crowds.

Our uniqueness on service provision

For us good is not good enough, we thrive for excellence and we go above and beyond measures to exceed our customer expectations and satisfaction. With so many incredible African destinations, we focus on providing exceptional experiences for honeymooners, solo women, family groups, photographers and mountain trekkers. We use accommodations that offers best services and are on best locations for game viewing. They are highly environmental conscious and good partners in hospitality industry.

Walking Safaris

Engage in outdoor activities while on foot, it is set to be an unforgettable and exhilarating experience walking in nature or among wildlife. Tanzania has incredible wilderness areas for walking safaris, we will walk you through with an armed and trained guide.

Customized Safari

If the current itinerary does not quite suit your requirement, we are more than happy to customize to whatever suits your needs. We cover accommodations types from high end to budget, plus a combination of wildlife safari, cultural or historical experience, city or beach stay. With great expertise in the tourism industry, we can both work together to create a perfect vacation itinerary for you.

Bird Watching

Tanzania is one of Africa's best birding destinations with about 1140 species including 200 migrants and 74 marine birds present. Some of the most spectacular birds are only in breeding plumage during nesting season, typically during and shortly after the rains, so they're most photogenic at those times.

Wildlife Safari

Have an exciting trip of a lifetime as you go on an adventurous safari to experience Africa's true untamed side. Your preferences may be perfectly compatible with an itinerary that already exists and that, based on our expertise, we know will be highly valuable and enjoyable. However, we can consider your input to customize a trip that suit your needs and preferences.

Cultural Experience

Tanzania reflects the true culture of Africa since it has more than 120 tribes with distinctive traditions that are ready to be shared with travellers, the country's culture is just as diverse as its wildlife. Each of these tribes has its own distinctive traditional music, dances, rituals, social customs, works of art, and religious beliefs.

The Great Wildebeest Migration Safari

The wildebeest migration is an annual movement of millions of wildebeest through the Serengeti ecosystem, accompanied by Zebras, Gazelles and Impalas. It is the largest overland migration in the world, with animals moving at least 800km per cycle. Observing the ongoing struggle for existence makes a visit to Serengeti National Park incredibly exciting, be it the calving season or the crossing season.

Beach Holidays

Tanzania has got clean turquoise exotic beaches with elegant accommodation that will provide you with the comfort you need while on vacation. Zanzibar is most known for its beautiful beaches, historical sites and activities like snorkeling, scuba diving, surfing, parasailing and dolphin tour. Dar es salaam city and Saadani National Park are noted to have very beautiful and popular beaches too.

Mountain Climbing / Trekking

Tanzania has grown to be a popular destination for mountain climbers and trekkers with all skill and experience levels. Rich with peaks and many trails / routes, including Mt. Kilimanjaro the roof of Africa, Mt. Meru, Oldonyo Lengai, Udzungwa and Usambara Mountains. Plan a trekking to a peak of your choice we are going to assist you in achieving your goals.
